

# IPA VIRTUAL JOURNAL CLUB

International Psychogeriatric Association  
*Better Mental Health for Older People*

**NEW JOURNAL CLUB - Registration Open!**  
**February 21st, 2023 at 10:00 AM CST**  
[See your local time here.](#)

Dr. Dallas Seitz MD PhD FRPCP (Canada) will present on the paper:

***"Associations between psychological intervention for anxiety disorders and risk of dementia: a prospective cohort study using national health-care records data in England".***

[You can review this open access article here.](#)

Dr. Seitz is an Associate Professor of Psychiatry and Community Health Sciences, in the Cumming School of Medicine, University of Calgary. He is the immediate past president of the Canadian Academy of Geriatric Psychiatry. His research examines health service and knowledge translation in geriatric mental health. Dr.

Seitz is actively involved in the development health system strategies, guidelines and policies related to seniors and mental health at both the provincial and national level.
